

## A Game approach to children's development through physical activity and sports fun.

The team at Got Game is ready to provide a professional coaching service. You will be amazed with our coaching personnel, who are accredited, experienced and experts in their chosen sport. But most importantly have the special personal qualities that enable them to share the enjoyment of physical activity with kids.

We provide everything; Expert coaches, Fun, Games, Prizes, and Equipment.

In our 8-week programs children will get excited about sport, develop their skills and enjoy professional coaching, while you achieve your physical activity objectives and exceed after-school service expectations.

Our reputable company can provide a sport-specific program or multi-skills concept, and even a combination of both. We have been servicing Sydney Schools since 2002 and have taught over 10,000 kids. While we provide the best quality personnel at the best possible price.
